PRODUCT CODE

130202003 PL 600 RED

Professional emergency bag very large due to its internal modularity that allows to choose how to organize the spaces as required.

The bag has 5 external pockets : 2 large on the front, 1 on the upper part of the bag and other 2 on the sides. Also it has internal dividers and a removable bag with transparent window to house the needed devices.

The bag is sturdy and waterproof produced in PL 600 material.

The characteristic of these bags are the double yellow reflective stripes, furthermore they are completely emptied for and easy cleaning.

They have a waterproof rubber bottom to avoid water infiltration.

They can be carried by hand or on shoulders thanks to the crossbody
