

# HORIZONTAL ENDOTRACHEAL TUBE HOLDER

## TECHNICAL CHARACTERISTICS

LATEX FREE

DEHP FREE

SINGLE USE PRODUCT

**PACKAGING:**  
SINGLE PACKAGING

Endotracheal tube holder made of high quality materials, equipped with universal velcro closure that allows a quick and effective fixing of the support around the head. Its task is to stabilize the position of the endotracheal tube following its insertion into the windpipe. Equipped with adjustable handle allows easy and fast fixing of the endotracheal tube of any size.

The particular design of the bite prevents trauma of the patient or damage to the tube due to bites. In addition, the device is equipped with an additional opening that allows the aspiration of mucus, saliva and blood from the oral cavity.
